

# What's a Keyword Worth?

INTRODUCING RESULTS BASED **SEO** FOR LOCAL BUSINESSES. IF YOU DON'T SHOW UP ON GOOGLE'S FIRST PAGE...YOU DON'T PAY!

Your Services HERE

Google Search    I'm Feeling Lucky

Showing up on the first page of Google search results can have a dramatic impact on your business leads. Most businesses don't know how they got there and worse; most businesses have no idea how to get there when their clients are looking for their products or services!

*We're out to change that. WSI is one of the largest SEO organizations in the world.*

***If we don't deliver, you don't pay!***

SEO or Search Engine Optimization is still a mystery even to many web design firms. You did everything right, you filled out all the metatags, used all the right words and it's still not ranking well. Let us tackle the problem. You won't pay a nickel until your website is on the first page!

- Keyword Research
- 3 Keyword Recommendations\*
- Google Maps Created\*
- Google Maps Optimized
- Page optimization recommendations
- In-bound links created to your site
- Articles promoting your site published.

\*Terms: Client and WSI must agree on keywords. In the case that Google maps entry already exists, WSI will edit and optimize existing entry. Package Price is \$499 due when any of the three keywords generates a first page result on Google Search Engine Results Pages. Client is responsible for website edits per recommendations.
